

## 24 Books of the Bible

Can you find them?

in these **remarks** are hidden the names of 24 books of the bible. with this **format**, the wonder of bible study will be clearer, but mind you, making things hard is in my **genes**. is that a sin? all because li'l lulu **kept** me **looking** so hard for **facts**. i lacked the **revelation**. i was in a real **jam** especially since the names were in lower case. but this **truth** will come to **numbers** of readers while to others it will be a real **job**. nevertheless, it will be a **most** fascinating exercise for all. **yes**, **there** will be some easy to spot, while others hard to **judge**. so we have to admit, it usually ends in small **lamentations** if you can't find them. be careful, though, if you are a real **pro**, **verbs** and prepositions shouldn't throw you off. one lady says **she brews** tea while thinking. i rather go play my dear **banjo**. **elemental** things are best for concentration. **those** are my convictions, honest! i gave this puzzle to my neighbor, mr. **lopez**. **rapidly**, before i could sing my **song of songs**, he had it all solved. i will not, however, try to be so **formal**. **achieving** the goal to enlighten you is my prime directive. because i thought of this, some think i'm a top **banana**. **humility**, i tell them, is more my bag. what do you think? maybe i should publish this on **cd-rom**. **answer** me honestly since i don't want o make a fool of myself.
